Awareness on Usage of Technology to School Children

Details of the Event:

Date of the Event : 11-03-2023
Name of the Event : Awareness on Usage of Technology to School Children
Venue : Yellapur Government School
No. of Participants : 30

Objective:

The "Awareness on Usage of Technology to School Children" event aimed to educate students on the responsible and effective use of technology. The objective was to help children understand both the benefits and potential risks associated with technology, and to promote safe and productive technology usage.

Description:

On March 11, 2023, the awareness program took place at Yellapur Government School. The event included interactive sessions and presentations on various aspects of technology use, such as digital literacy, online safety, and the responsible use of social media. Mr. K. Ravindar led the discussions, providing practical advice on how to use technology for educational purposes while avoiding common pitfalls. Activities included demonstrations of educational apps and tools, as well as discussions on recognizing and avoiding online threats.

Outcome:

The event successfully equipped students with valuable knowledge about using technology in a safe and productive manner. Participants learned about the positive aspects of technology, such as its role in education, and how to navigate potential risks. The interactive format ensured that students could ask questions and engage directly with the material, enhancing their understanding and retention of key concepts.

Impact on Society:

The awareness program had a positive impact by fostering a more informed and responsible approach to technology use among young students. By providing them with the tools and knowledge needed to navigate the digital world safely, the program contributed to improved online behavior and better utilization of technology for educational and personal growth. This foundation supports healthier digital habits and enhances students' overall engagement with technology.

Report on Awareness on Literacy

Details of the Event:

Date of the Event : 08-09-2022
Name of the Event : Awareness on Literacy
Venue : Elkathurthi Village
No. of Participants : 31

Objective:

The "Awareness on Literacy" event aimed to promote literacy and education within the community of Elkathurthi Village. The program sought to raise awareness about the importance of literacy, address challenges related to education, and encourage lifelong learning. By highlighting the benefits of literacy, the event aimed to foster a culture of reading and learning among the villagers.

Description:

On September 8, 2022, SR University's National Service Scheme (NSS) Unit-1, led by Mr. K. Ravindar, organized an awareness program focused on literacy at Elkathurthi Village. The event engaged 31 participants through interactive sessions that included educational talks, discussions on the importance of literacy, and activities to demonstrate how literacy skills can enhance daily life. The program also featured informational materials on local educational resources and opportunities for further learning.

Outcome:

- Immediate Results:** The event successfully reached 31 participants, raising awareness about literacy and providing practical information on how to improve literacy skills. Attendees actively participated in discussions and activities designed to highlight the benefits of reading and education.
- Long-Term Benefits:** The program inspired participants to value and pursue education, potentially leading to increased literacy rates and a greater emphasis on education within the community.

Impact on Society:

- Enhanced Literacy Awareness:** The program increased awareness of the importance of literacy, encouraging individuals to prioritize education and seek out learning opportunities.
- Community Engagement:** By involving local residents in discussions about literacy, the event strengthened community ties and fostered a collective commitment to educational advancement.
- Educational Improvement:** The initiative supported local educational efforts by promoting the benefits of literacy and providing resources to help individuals improve their reading and writing skills.

Primary School Education Program

Details of the Event:

Date of the Event : 23-09-2022
Name of the Event : Primary School Education Program
Venue : ABHS Govt. School, Fort Warangal
No. of Participants :28

Objective:

The Primary School Education Program aimed to enhance the educational experience of young students by providing additional support and resources to improve their learning environment. The program sought to address gaps in primary education through interactive teaching methods, educational activities, and the distribution of learning materials, thereby contributing to the overall academic development of the students.

Description:

On September 23, 2022, SR University's National Service Scheme (NSS) Unit-1, under the leadership of Mr.K.Ravindar, conducted a comprehensive Primary School Education Program at ABHS Government School, Fort Warangal. The event engaged 28 participants, including students and teachers, in a series of educational activities designed to enrich the learning experience. The program included interactive lessons, educational games, and the distribution of learning aids such as books, stationery, and educational posters. Volunteers also provided one-on-one tutoring and support to students, addressing specific learning needs and encouraging academic enthusiasm.

Outcome:

Immediate Results: The program provided direct educational support to 28 students, enriching their learning experience through interactive and engaging activities. Participants benefited from the additional resources and personalized attention, leading to improved understanding and enthusiasm for their studies.

Long-Term Benefits: The event helped lay a foundation for improved academic performance and fostered a positive attitude towards learning. By enhancing the learning environment and providing extra resources, the program contributed to the overall educational development of the students.

Impact on Society:

Teacher Support: By involving teachers in the program, it also contributed to their professional development, offering new teaching methods and resources to enhance their educational practices.

Community Engagement: The initiative reinforced the importance of community involvement in education, demonstrating how collective efforts can improve the quality of primary education and support the development of future generations.
