# ABOUT SCHOOL OF AGRICULTURE

The School of Agriculture (SoA) at SR University in Warangal, Telangana stands out as a distinguished School dedicated to advancing agricultural education, innovation and research. It offers comprehensive programs including a Bachelor of Science (Honours) in Agriculture, M.Sc. Agriculture and Ph.D. programs, designed to provide students with a robust foundation in various aspects of agricultural sciences and advance farming technologies. With over 850 students on campus, the school is equipped with state-of-the-art laboratories, experimental farms and advanced machinery to ensure hand-on learning. Adaptation of ICAR Syllabus, presence of highly qualified faculty members who are actively engaged in cutting edge research, mentor students, fostering an environment of innovation and academic excellence. The school also emphasizes community outreach, regularly conducting workshops and training sessions for local farmers to promote sustainable farming practices.

## Salient Features

- ▶ The curriculum is as per Sixth Deans Committee recommendations of Indian Council of Agricultural Research (ICAR).
- ▶ 50+ acres of instructional farm and Horticulture garden.
- ▶ Highly qualified faculty with good credentials.
- ▶ Well equipped laboratories and research facilities.
- ▶ Implementation of Student Ready Programmes, hands-on experiential learning, Skill development courses, trainings, Certifications and many more.
- ▶ Industrial Visits, Guest Lectures, Workshops, Project-Expo.
- ▶ Highly interactive learning environment with opportunities to connect with the industry professionals.
- ▶ Excellent internships and placements record.
- ▶ Strong mentorship and career guidance.
- ▶ MoU's and Academic collaborations for Academic, Research and Professional enhancement.
- ▶ Designated time slots allocated for Club Activities, NCC, and NSS.
