

SR UNIVERSITY

SCHOOL OF SCIENCES
AND HUMANITIES

School of Sciences and Humanities

The School of Sciences and Humanities (SoSH) at SR University, Warangal, is a hub of interdisciplinary excellence, integrating Physics, Chemistry, Biotechnology, English, Psychology, and Cognitive Science. Offering graduate, postgraduate, and Ph.D. programs, it serves as a cornerstone for engineering and management disciplines while fostering a synergy of analytical precision and communicative finesse. With a distinguished set of faculty from IITs, NITs, and Central Universities, SoSH ensures a rich learning experience driven by expertise and innovation. Its holistic pedagogy equips students to excel in their careers while addressing global challenges with a well-rounded perspective. The School of Sciences and Humanities is comprised of academic departments, each with its own distinct character.

Department of Basic Sciences

- Physics
- Chemistry
- Biotechnology
- Cognitive Science
- Psychology
- Forensic Science

Department of English

English

Programs Offered

Bachelors

B. Sc. Physics

B. Sc. Chemistry

B. Sc. Biotechnology

B. Sc. Biochemistry

B. Sc. Forensic Sciences

B. Sc. Bioinformatics

Masters 2 Years

M. Sc. - Physics

M. Sc. - Chemistry

M. Sc. - Biotechnology

M. Sc. - Biochemistry

M. Sc. - Forensic Sciences

M. Sc. - Bioinformatics

Doctoral

Ph.D. - English

Ph.D. - Sociology

Ph.D. - Physics

Ph.D. - Chemistry

Ph.D. - Biotechnology

Ph.D. - Biochemistry

Ph.D. - Psychology

Ph.D. - Cognitive Science

Ph.D. - Bioinformatics

Ph.D. - Forensic Sciences

SoSH Research Highlights

Total Publications 167

Q1 96

Faculty From Premier Institutions

Dr. Sujoy Saha Associate Professor, Dean,SoSH Postdoc in Oakland University, USA

Dr. B.Babu
Professor, SoSH
Postdoc in Hanyang
University, South Korea

Dr. Anima Ghosh Associate Professor, SoSH Postdoc in **SJTU China**

Dr. Ayan Kumar Barui Associate Professor, SoSH Postdoc in **UoC, Irvine, USA**

Dr. V. Sarath Chandra Associate Professor, SoSH Postdoc in Politecnico di Torino, Italy

Dr. S. RadhakrishnanAssociate Professor, SoSH
Postdoc in **JNU, South Korea**

Dr. Anam Giridhar Babu Associate Professor, SoSH Postdoc in POSTECH South Korea

Dr. Ashish Runthala Associate Professor, SoSH Postdoc in **IISc-Bangalore**

Dr. Rajamouli Boddula Associate Professor, SoSH Postdoc in Konkuk University, Seoul, South Korea

Dr. K Venkata Krishnaiah Associate Professor, SoSH Postdoc in Université de Montréal, Canada

Dr. Raj Kumar Samudrala Associate Professor, SoSH Ph.D. from NIT, Warangal

Dr. Srinivas Pattipaka Assistant Professor, SoSH Postdoc in Pukyong National University, South Korea

Dr. Ranadeep Singh Assistant Professor, SoSH Postdoc in Yeungnam University, South Korea

Dr. Subhankar Panda Assistant Professor, SoSH Postdoc in Univesity of Minnesota, USA

Dr. Ravinder Kandi Assistant Professor, SoSH Postdoc in Universität Leipzig, Germany

Dr. Soumya Kanti Kazra Assistant Professor, SoSH Postdoc in Slovak Academy of Sciences, Slovakia

Dr. Rupsa Banerjee Assistant Professor, SoSH M.Phil. University of Cambridge, UK

Dr. Nalin Prashant Poddar Assistant Professor, SoSH Postdoc in IIT Hyderabad

Dr. Manoranjan Ojha Assistant Professor, SoSH Postdoc in **IIT Hyderabad**

Dr. Mritunjoy P. Ghosh Assistant Professor, SoSH Ph.D. from **NIT Patna**

Dr. Thamil Selvan
Assistant Professor, SoSH
Postdoc in Gachon University
Global Campus, South Korea

Dr. E. Siva Sankara Rao Assistant Professor, SoSH Postdoc in UoC, Irvine, USA

Dr. Lalithadevi BAssistant Professor, SoSH
Ph. D. **NIT Warangal**

Dr. Gobinda Chandra Mohanty Assistant Professor, SoSH Ph.D. from IIT Kharagpur

Dr. Nikita AnandAssistant Professor, SoSH
Ph. D. **NIT Jalandhar**

Dr. Sayani KonarAssistant Professor, SoSH
Ph. D. **IIT Bhubaneswar**

Academic Highlights

- > High-Impact Research Output
- Major Research Grants and Collaborative Projects
- State-of-the-Art Infrastructure and Core Facilities
- Student Research Achievements and Awards
- > Interdisciplinary Academic Programs and MoUs
- Faculty Trained Abroad

Key Features

- Truly Multidisciplinary Framework
- Institutionalized Quality-Culture via IQAC Alignment
- Proactive Research Forums and Expert-Talk Series
- Community Engagement and Societal Impact
- Deep Faculty-Student Mentorship
- Committed to Academic Rigor, Research Advancement, and Holistic Growth

Advanced Laboratories

International Program

Bachelor of Science Advanced (Honours)

242 Years Study Model

Year 1 and 2 at India

SR University Campus

Complete two years of compulsory foundation studies co-designed by The University of Melbourne and SR University. This involves the four major disciplines of Science (Mathematics, Physics, Chemistry, and Biology).

Year 3 and 4 at Melbourne, Australia

The University of Melbourne Parkville campus

Study your final two years at The University of Melbourne's Parkville campus, where you'll select a major from those offered in the Bachelor of Science Advanced (Honours) and complete a minor research thesis in your final year.

Clubs

- Drama and Theatre Club
- Japanese Language & Culture Club
- Literary and Master Communicators Club
- Community Service Club
- Astronomy Club

Memorandum of understanding (MoU)

MoU with St. Mary's Group of Institutions, Hyderabad.

MoU with Science College (Physics), Osmania University Hyderabad.

MoU With Watzmann Consulting GmbH, Germany.

SR UNIVERSITY

Ananthasagar, Hasanparthy Warangal 506371, Telangana, India
