Academic Collaborations

Civil Engineering

The Department of Civil Engineering at SR University is committed to excellence in education, research, and innovation, preparing future-ready engineers equipped to address global infrastructure challenges. The curriculum is aligned with emerging industry needs and offers focused programs in areas such as Structural Engineering, Geotechnical Engineering, Environmental Engineering, Water Resources Engineering, Transportation Engineering, and Construction Management. Students benefit from a blend of theoretical knowledge and practical training through labs, field visits, and industry collaborations. The program also supports Minors and Honors options, flexible credit systems, and international semester-abroad opportunities, fostering global competence and real-world relevance in the field of civil engineering.

Academic Highlights

- ✦ Curriculum Designed for Project-Based and Experiential Learning in Civil Engineering Domains.
- ✦ Students Trained in Industry-Relevant Tools and Emerging Technologies for Enhanced Employability.
- ✦ Real-Time Exposure to Infrastructure Trends, Smart City Concepts, and Sustainable Practices.
- ✦ Advanced Civil Engineering Labs for Structural Engineering, Geotechnical Testing, Environmental Engineering, and Transportation Engineering.
- ✦ Participation in National and International Technical Competitions, and Design Challenges.
- ✦ Strong Industry-Academia Partnerships Offering Internships, Site Visits, and Live Projects.
- ✦ Highly Qualified Faculty with Rich Academic, Research, and Industry Backgrounds.
- ✦ One-Year Internship or Industry Immersion Program in Final Year.
- ✦ Specialized Training for Placements.
- ✦ Project Demonstrations and Model Exhibitions in Core Civil Engineering Areas.
- ✦ Capstone Projects Addressing Real-World Infrastructure and Environmental Challenges.

Programs Offered

Bachelors

B.Tech. - Civil Engineering

Masters

M.Tech. - with specialization in Construction Technology and Management

Doctoral

Ph.D. - Civil Engineering

Faculty From IITs & NITs

Dr. Sritam Swapnadarshi Sahu
Assistant Professor & Head
Ph.D. from IIT Guwahati

Dr. P Swamy Naga Ratna Giri
Assistant Professor & Associate Head
Ph.D. from NIT Warangal

Dr. P. Jnyanendra Kumar
Assistant Professor
Ph.D. from IIT Guwahati

Dr. Padala Raja Shekar
Assistant Professor
Ph.D. from NIT Tiruchirappalli

Dr. N. Muni Pradeep
Assistant Professor
Ph.D. from IIT (BHU) Varanasi

Dr. Sujay Teli
Assistant Professor
Ph.D. from IIT Gandhinagar

Civil Research Highlights

Publications 210	Book Chapters 41	Patents 32
-----------------------------------	-----------------------------------	-----------------------------

Uniqueness in Co-Curricular Activities Civil Engineering

- ✦ Hands-on Workshops.
- ✦ Gamification.
- ✦ Student Clubs.
- ✦ Technical Paper Presentations & Civil Engineering Model Competitions.
- ✦ Active Student Chapters of Professional Bodies.

Master’s Program with Partner Universities

SR University has partnered with few prestigious global universities to offer a Master’s Program designed for ambitious graduates. This program provides an exceptional education, international exposure, and a smooth transition from an undergraduate degree to a highly respected Master’s qualification.
