Introduction

In essence, the Civil Connect Club will focus on technical excellence, innovation, and industry connectivity, while the Sustainability Club will promote eco-conscious engineering practices and awareness of sustainable development. This club will play a pivotal role in shaping the next generation of civil engineers, ready to contribute effectively to the profession and society at large.

Aim, Vision & Mission

Civil Connect provide a platform for students to enhance their technical, leadership, and organizational skills while actively contributing to departmental and institutional growth.

Aim	To connect civil engineering students with industry, academia, and society by creating opportunities for learning, collaboration, and professional growth.
Vision	To be a dynamic student-driven platform that bridges the gap between classroom knowledge and real-world civil engineering practices, inspiring future-ready engineers.
Mission	<ul style="list-style-type: none">• To organize guest lectures, seminars, and workshops with industry experts.• To facilitate site visits and technical tours for practical exposure.

	<ul style="list-style-type: none"> To build a strong network with alumni and professionals in civil engineering. To encourage students' leadership, teamwork, and communication skills through active participation. To promote innovation and knowledge sharing within the department.
