

HR SATT Leadership Conclave - 2026

Strategy • Analytics • Technology • Transformation

*Redefining Business Through Human Capital
In The Era Of Artificial Intelligence*

Date: 06th & 07th March 2026 at SRiX, Auditorium

About the Conclave

The HR SATT Leadership Conclave 2026 (HSLC-2026), organized by the ASTRA School of Business, is a two-day flagship academic-industry forum designed to support SR University's mission of producing technically competent, industry-ready, and socially conscious leaders through strategic engagement with contemporary Human Resource Management practices.

The conclave focuses on Strategy, Analytics, Technology, and Transformation (SATT) as critical enablers of business transformation in the era of artificial intelligence, advanced analytics, and emerging digital technologies. By bringing together HR leaders, industry experts, academicians, policymakers, and research scholars, HSLC-2026 facilitates informed dialogue on transforming organizations through data-driven, ethical, and sustainable HR practices.

Through keynote addresses, expert panel discussions, and Empirical research data, the conclave promotes path-breaking research and knowledge dissemination while strengthening industry-academia collaboration. The event aligns with SR University's vision of enabling sustainable business transformation by integrating human capital development, innovation, and societal impact.

Objectives the Conclave

The HR SATT Leadership Conclave 2026 aims to:

Strengthen the development of industry-ready and future-focused HR leaders by examining the role of SATT in workforce planning, talent acquisition, learning, and performance management for business transformation.

Promote research-driven insights into how analytics and technology enhance employee engagement, wellbeing, statutory compliance, industrial relations, and organizational effectiveness.

Explore innovative SATT-enabled practices in career planning, succession management, leadership development, organizational culture, and change management to drive sustainable business transformation.

Facilitate collaboration with industry, government, and non-profit organizations to co-create HR solutions that contribute to inclusive growth, ethical leadership, and community development.

Encourage critical engagement with emerging themes such as DEI, ESG, future of work, and HR entrepreneurship, reinforcing socially responsible and transformational business practices.

PARTICIPANTS

Expected Outcomes of the Conclave

The HR SATT Leadership Conclave 2026 is expected to generate meaningful academic, industry, and societal impact by: Enabling industry and HR practitioners to apply SATT-driven, evidence-based frameworks that improve workforce effectiveness, compliance, and people-centric practices for business transformation.

Supporting academicians and researchers in producing high-quality, collaborative research outputs, case studies, and publications that advance knowledge in transformational HR domains. Assisting organizations and leadership teams in adopting sustainable HR strategies that strengthen talent systems, organizational culture, governance, and change management for long-term business transformation.

About the **ASTRA School of Business**

The School of Business at SR University has a distinguished legacy of over 20 years in educating, training, and successfully placing students in world-class organizations. Supported by more than 20 experienced in-house faculty members and a strong pool of adjunct faculty from industry and international academia, the school ensures a rigorous and practice-oriented learning environment. It has established global academic collaborations that facilitate student exchange programs at the Bachelor's, Master's, and Ph.D. levels, while faculty actively engage in consulting, industry partnerships, and start-up mentoring.

The school offers BBA, B. Com, MBA, and Ph.D. programs and is deeply committed to research-driven education, addressing societal and managerial challenges across disciplines such as Management, Marketing, Finance, Economics, Logistics, Human Resources, and Entrepreneurship. To date, it has published over 500 research articles and published 130 patents, with 15 granted, reflecting a strong innovation ecosystem. With a dynamic, industry-aligned curriculum and the case study method as a core pedagogy, the school emphasizes practical learning, personalized education, and social sensitivity, preparing responsible leaders for a sustainable society..

About the **About SR University**

Sri Rajeshwara Educational Society, the parent body of SR University is a 50-year-old conglomerate of educational institutions with more than 90,000 students and 17,000 teaching and non-teaching staff members. SR Educational Academy governs 95 Educational Institutions across Telangana and Andhra Pradesh.

The goal of SR University is to create an innovative learning educational ecosystem whose graduates significantly contribute to the growth of Telangana and India. We plan to transform the educational system through three key differentiators.

At the core of SRU, exceptional faculty engage students in new experiences through innovative teaching approaches. SRU is home for such faculty who are ever curious to question existing knowledge, push the boundaries of understanding through research, and incorporate innovative-teaching-pedagogies for better learning experiences.

Coupled with our exceptional staff, technology-enabled infrastructure provides a foundation for entrepreneurial learning through experimentation. Cutting-edge technology is embedded in classrooms and laboratories, helping students familiarize themselves with the latest technological trends in the market.

The collaborative entrepreneurial ecosystem provides curricular, co-curricular, and extra-curricular opportunities for everyone to contribute, thrive and create a lasting impact. The system includes strong ties with industry and international educational institutions.
