Event Description:

On September 20, 2023, SR University held its NCC enrolment process for the academic year 2023-24. The event was meticulously organized and supervised by AO Lt Col K R Reedy and JCO NB SUB Rahul Ugale from the 1(T) Comp Tech Regt. NCC Battalion based in Warangal. The selection process was designed to assess both the physical and mental capabilities of the candidates aspiring to join the NCC.

The assessment comprised a series of tests aimed at evaluating the candidates' physical endurance and strength, including running and push-ups. These exercises were crucial in determining the candidates' fitness levels and their ability to meet the physical demands of the NCC program. Additionally, a written test was administered to gauge the candidates' cognitive abilities and academic preparedness.

The selection was conducted with a high degree of professionalism, reflecting the importance of choosing individuals who not only possess physical prowess but also have the intellectual capability required for NCC training. The supervision by experienced officers ensured that the process was fair and rigorous, adhering to the standards set by the NCC. This comprehensive evaluation aimed to select candidates who are best suited for the challenges of the NCC program and are likely to excel in their roles as cadets. The enrolment process thus marked an important step in preparing a new cohort of NCC members for the upcoming academic year.

Lt. Rajeshwarao Arabelli
Associate NCC Officer
1 Coy(FSFS), 1(T) CTR NCC
