Awareness about covid-19

Details of the Event:

Date of the Event : 08-08-2021
Name of the Event : Awareness about covid-19
Venue : Online Mode

Objective:

The primary objective of the COVID-19 Awareness Program event organized by National Service Scheme (NSS) Unit-01 at Zoom Platform was to raise awareness about COVID-19 and promote preventive measures. This initiative aimed to educate participants about the importance of understanding the virus, practicing safety protocols, and ways to reduce the spread of COVID-19, thereby strengthening community participation in combating the pandemic.

Description:

NSS Unit-01 organized a COVID-19 awareness event in Zoom Platform. The program aimed to educate the community about COVID-19, its prevention, and the importance of safety measures. The event featured active participation from NSS volunteers, who helped with health check-ups, distributed informational pamphlets, and engaged in interactive sessions to highlight the importance of preventing the virus's spread. The event successfully raised awareness and encouraged the community to adopt preventive actions.

Outcome:

The objective of the COVID-19 Awareness event held in Zoom Platform by NSS Unit-01 was to promote awareness about COVID-19 among the community. The program aimed to enhance understanding of the importance of COVID-19 prevention, improve community participation in following safety protocols, and foster responsible and informed citizens, thereby promoting better health outcomes and life skills among both the participants and the volunteers.

Impact on Society:

Organizing the COVID-19 Awareness event significantly improved the participants' understanding and practices regarding COVID-19 prevention and safety measures. It also strengthened community ties, increased awareness about the importance of health protocols, and contributed to a more informed and responsible society.
