Harithaharam (Plant @Home)

Details of the Event:

Date of the Event : 07-07-2020
Name of the Event : Harithaharam (Plant@Home)
Venue : At Your respective home

Objective:

The primary objective of the Harithaharam event organized by National Service Scheme (NSS) Unit-01 on August 07, 2020, in Online Mode was to raise awareness about environmental conservation and promote tree planting. This initiative aimed to educate participants about the importance of reducing pollution, the benefits of tree planting, and ways to contribute to a greener environment, thereby encouraging active participation in environmental protection.

Description:

NSS Unit-01 organized the "Harithaharam" event on August 7, 2020 in Online Mode focusing on environmental awareness and tree planting. The event aimed to highlight the importance of reducing pollution and creating a greener environment. The team collaborated with local authorities and community leaders for the event's success. NSS volunteers participated in activities such as tree planting, distributing informational pamphlets, and conducting interactive sessions on environmental conservation.

Outcome:

The objective of the Harithaharam event held on August 07, 2020, by NSS Unit-01 was to promote Harithaharam among the community. The program aimed to enhance awareness about the significance of reducing pollution through tree planting, improve community participation in environmental initiatives, and foster responsible and informed citizens. This initiative sought to promote better environmental outcomes and life skills among both participants and volunteers.

Impact on Society:

Organizing the Harithaharam event significantly improved participants' understanding and practices related to environmental conservation and tree planting. It also strengthened community ties, increased awareness about reducing pollution, and contributed to a more informed and responsible society.
