Awareness on Pollution control

Details of the Event:

Date of the Event : 06-01-2022
Name of the Event : Awareness on Pollution control
Venue : KU cross road, Hanamkonda

Objective :

The primary objective of the pollution awareness event organized by NSS Unit-01 was to educate participants on the importance of pollution control, promote active involvement in reducing pollution, and encourage informed participation in efforts to prevent and mitigate environmental harm.

Description:

Under the guidance of the NSS Coordinator at SR University, the NSS Unit-01 organized a "Awareness on Pollution" event at the KU cross road, Hanamkonda. In response to the ongoing need for pollution awareness and participation, the NSS team planned a comprehensive program to raise awareness about the significance of reducing pollution, methods to prevent it, and the importance of collective efforts in this process. The event was coordinated with local authorities and community leaders to ensure its success.

The team organized themselves into various groups, including Registration, Information Distribution, and Event Management. NSS volunteers actively participated in activities such as voter registration drives, distribution of informational pamphlets, and interactive sessions on the importance of reducing pollution.

Outcome:

The objective of the Awareness on pollution event held at the KU cross road, Hanamkonda by NSS Unit-01 was to promote awareness on pollution among the community. The program aimed to enhance awareness about the significance of reducing pollution, improve community participation in the process, and foster a responsible and informed citizen, thereby promoting better outcomes and life skills among both the participants and the volunteers.

Impact on Society:

Organizing the Awareness on pollution event significantly improved the participants' understanding and practices regarding eradicating pollution and going for alternative methods. It also strengthened community ties, increased consciousness, and contributed to a more informed and responsible society.
