Cleaning of Schools and Creating Awareness on Cleanliness

Details of the Event:

Date of the Event : 12-01-2022
Name of the Event : Cleaning of Schools and Creating Awareness on Cleanliness
Venue : Damera Village

Objective:

The Cleaning of Schools and Creating Awareness on Cleanliness event organized National Service Scheme (NSS) Unit aimed to promote the importance of cleanliness and hygiene in schools. This initiative sought to educate students and the local community about the health benefits of cleanliness, develops a sense of responsibility towards maintaining clean surroundings, and encourages active participation in community service.

Description:

NSS Unit of SR University organized a " Cleaning of Schools and Creating Awareness on Cleanliness" event The volunteers engaged in cleaning the village school premises, including classrooms, playgrounds, and common areas, to demonstrate the importance of maintaining a clean and hygienic environment. Additionally, the volunteers conducted awareness sessions for the students, teachers, and community members on cleanliness practices and their impact on health and well-being. The event emphasized the significance of regular cleaning and personal hygiene in preventing diseases and improving overall quality of life.

Outcome:

The Cleaning of Schools and Creating Awareness on Cleanliness Awareness event successfully promoted the importance of hygiene and cleanliness among the participants and the community. The program aimed to enhance the community's understanding of the role of cleanliness in improving health and creating a better learning environment for students. The event fostered greater involvement from the local community and instilled a sense of responsibility for maintaining public spaces.

Impact on Society:

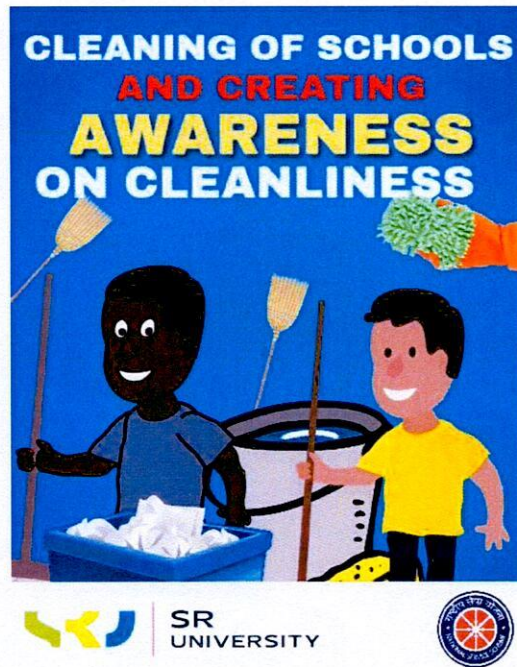

The event had a significant impact on raising awareness about cleanliness and its link to health. It contributed to improved hygiene practices among the students and the broader community, reinforced the importance of maintaining clean surroundings, and created a more responsible and health-conscious society.
