Skill Development Program

Details of the Event:

Date of the Event : 19-02-2022

Name of the Event : Skill Development Program

Venue : Government High School, East Fort Warangal.

Objective:

The primary objective of the Skill Development Program organized by National Service Scheme (NSS) Unit-01 on, at Government High School, East Fort Warangal, was to equip high school students with an understanding of the importance of skill development. The program aimed to raise awareness about various technical and vocational skills that can help students improve their employability and empower them to pursue opportunities in different fields.

Description:

The Skill Development Program was organized by NSS Unit-01 at Government High School, East Fort Warangal. The training focused on creating awareness among the students about the significance of learning new skills beyond traditional academics. NSS volunteers conducted informative sessions that covered a wide range of skills, including communication skills, basic computer literacy, creative problem-solving, and teamwork. The sessions were interactive, with demonstrations of real-world applications of the skills discussed. Emphasis was placed on digital literacy, technical skills, and soft skills that are essential in today's job market.

Outcome:

The Skill Development Program successfully informed students about the critical importance of developing skills for future career success. The participants learned about different avenues for improving their abilities and were motivated to take initiative in enhancing their skill sets. The interactive format helped create an enthusiastic response among the students.

Impact on Society:

The Skill Development Program had a positive impact on the students of Government High School, East Fort Warangal. It broadened their understanding of the essential skills required in various industries and motivated them to pursue personal growth through skill enhancement. The program's outreach is expected to lead to more proactive engagement by the students in skill-building activities, thereby improving their future prospects and contributing to the creation of a skilled workforce in the community.
