Awareness Program on Importance of Education

Details of the Event:

Date of the Event : 19-07-2021

Name of the Event : Awareness Program on Importance of Education

Venue : Govt. High School, Gangadevipally, Warangal

Objective:

The primary objective of the "Importance of education dropouts" event organized by under National Service Scheme (NSS) at Govt. High School, Gangadevipally, Warangal was to raise awareness about critical impact of education on individual and community development, motivate students to stay in school, provide information about available resources and support systems and engaging the community in creating supportive environment that values and promotes lifelong learning.

Description:

NSS Unit of SR University organized an event at the Govt. High School, Gangadevipally, Warangal, focusing on the importance of addressing education dropouts. In response to the increasing dropout rates, the program aimed to raise awareness, support affected students, and promote educational opportunities. The event involved collaboration with local authorities and community leaders to ensure its success. NSS volunteers played a crucial role, participating in activities like distributing educational outreach materials, pamphlets, and conducting interactive sessions on the risks and strategies to prevent dropping out.

Outcome:

The "Importance of education dropouts" event conducted by Team SRU NSS successfully raised awareness about the value of education, enhanced motivation among students to stay in school, and greater utilization of available educational resources. It engaged the community in supporting educational pursuits, identified barriers to school retention and fostered a supportive environment towards educational development.

Impact on Society:

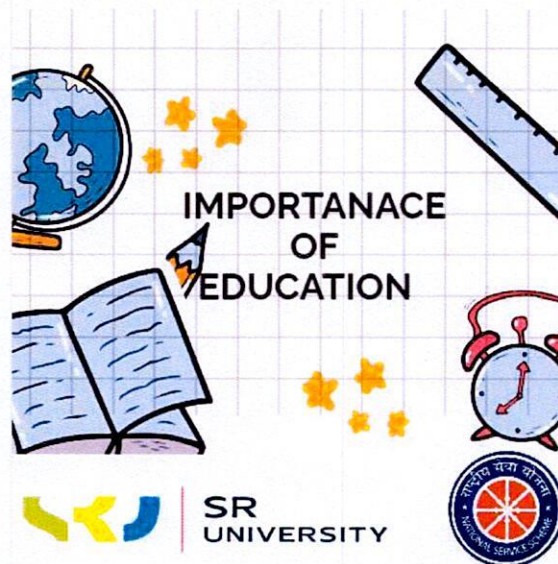

Conducting the "Importance of Education and Addressing Dropouts" event had a profound impact on society by raising awareness about education's critical role, motivating students to stay in school, and fostering community support for educational initiatives. It provided vital resources and identified barriers to retention, promoting a culture of lifelong learning and contributing to a reduction in dropout rates while improving overall educational outcomes in the community.
