### Awareness Program on Seasonal Diseases

#### Details of the Event:

**Date of the Event** : 17-08-2021  
**Name of the Event** : Awareness Program on Seasonal Diseases  
**Venue** : Elkathurthi Village

#### Objective:

The Awareness Program on Seasonal Diseases, organized by SR University NSS Unit-01 at Elkathurthi Village, aimed to educate the local community about the prevention and management of common seasonal diseases. The event sought to raise awareness about hygiene practices, promote preventive measures, and encourage early detection to reduce the spread of diseases during peak seasons.

#### Description:

The event featured NSS volunteers actively engaging with the villagers, providing information on the causes, symptoms, and prevention of seasonal diseases such as malaria, dengue, and viral fevers. The session included demonstrations on maintaining cleanliness, distributing informational pamphlets, and discussions on strengthening the immune system through proper nutrition and sanitation practices. The volunteers also shared practical tips on using mosquito nets, maintaining clean water sources, and adopting personal hygiene habits to prevent disease outbreaks.

#### Outcome:

The program enhanced community awareness of seasonal diseases and preventive practices, equipping the participants with knowledge to combat common health issues during peak seasons. Volunteers played a key role in promoting health education, fostering proactive behavior among community members, and encouraging the adoption of sanitary habits to improve overall public health.

#### Impact on Society:

The Awareness Program on Seasonal Diseases significantly increased the community's understanding of disease prevention and management. The initiative contributed to a healthier and more informed population, reducing the risk of seasonal disease outbreaks and fostering a stronger, more responsible community capable of addressing public health challenges.
