### Awareness Program on Energy Conservation

#### Details of the Event:

**Date of the Event** : 16-10-2021  
**Name of the Event** : Awareness Program on Energy Conservation  
**Venue** : Yelkurthi Village

#### Objective:

The Awareness Program on Energy Conservation organized by NSS Unit aimed to educate participants about the importance of energy conservation in daily life. The initiative sought to raise awareness about responsible energy usage, reduce wastage, and promote sustainable energy practices within the community.

#### Description:

NSS Unit at organized an "Awareness Program on Energy Conservation" at Yellapur Village. The event focused on educating community members about the significance of conserving energy and adopting efficient energy practices. NSS volunteers distributed pamphlets and conducted interactive sessions to demonstrate simple and effective methods for reducing energy consumption. The program also featured discussions on renewable energy sources, their benefits, and how they can be integrated into household routines to achieve long-term sustainability.

#### Outcome:

The program successfully promoted awareness about energy conservation, helping participants understand the importance of responsible energy usage. The volunteers' efforts in explaining practical strategies for conserving energy resonated well with the community. As a result, many participants expressed their intent to adopt energy-efficient practices at home, contributing to a reduction in energy consumption.

#### Impact on Society:

The Awareness Program on Energy Conservation at Yelkurthi Village had a positive societal impact by educating community members on energy conservation's role in environmental sustainability. It fostered greater environmental consciousness and empowered the participants with knowledge to reduce their carbon footprint, thus encouraging a shift towards more sustainable living.
