Awareness On Seasonal Diseases

Details of the Event:

Date of the Event : 24-09-2022
Name of the Event : Awareness on Seasonal Diseases
Venue : Killa Warangal Village
No. of Participants : 31

Objective:

The primary objective of the awareness on seasonal diseases was to educate the residents of Killa Warangal Village about the prevention and control of common seasonal illnesses, such as dengue, malaria, and viral fevers. The initiative aimed to improve public health by promoting awareness of these diseases and encouraging preventive measures during peak seasons.

Description:

Led by Mr. K. Ravindar, NSS Coordinator of SR University's National Service Scheme (NSS) Unit-01, the event focused on conducting awareness sessions for the community. Activities included distributing informative leaflets on disease prevention, organizing workshops on proper sanitation practices, and demonstrating the use of mosquito nets and repellents. Health professionals were invited to give talks on recognizing early symptoms and the importance of timely medical intervention.

Outcome:

The event raised significant awareness about the risks and prevention of seasonal diseases. Participants gained knowledge about the importance of maintaining a clean environment to reduce mosquito breeding and other disease vectors. The campaign resulted in improved public understanding of preventive health practices, contributing to overall community well-being.

Impact on Society:

The awareness drive positively impacted Killa Warangal Village by enhancing residents' understanding of seasonal diseases and encouraging proactive health behaviors. The initiative promoted better hygiene practices, reduced the risk of disease transmission, and fostered a sense of responsibility among the community to maintain a healthier environment, particularly during high-risk periods.
