Awareness on Govt Welfare Schemes

Details of the Event:

Date of the Event : 05-11-2022
Name of the Event : Awareness on Govt Welfare Schemes
Venue : Mupparam Village
No. of Participants : 46

Objective:

The primary objective of the awareness program on government welfare schemes at Mupparam Village was to educate and inform the local community about the various welfare schemes available to them. The initiative aimed to bridge the information gap and ensure that the residents were aware of the benefits they could access to improve their socio-economic conditions.

Description:

Under the guidance of Mr. K. Ravindar, NSS Coordinator of SR University's National Service Scheme (NSS) Unit-01, the event comprised informational sessions and interactive discussions. Volunteers distributed brochures detailing key welfare schemes, including Pradhan Mantri Jan Dhan Yojana, PM-KISAN, and Ayushman Bharat. The session also included a presentation by local officials who explained the procedures to apply for these schemes and answered participants' queries.

Outcome:

The program successfully educated villagers about government welfare programs, with many gaining clarity on how to access benefits. Several participants expressed interest in enrolling in schemes that aligned with their needs, particularly in healthcare, agriculture, and financial inclusion. The event fostered a sense of empowerment within the community by helping them understand how to leverage government support for personal and communal development.

Impact on Society:

The awareness drive had a lasting impact on Mupparam Village by equipping residents with critical knowledge of government welfare schemes. This knowledge has the potential to uplift families economically and socially, as access to healthcare, financial services, and agricultural subsidies improves living standards. The initiative also contributed to greater community participation in government programs, promoting long-term development in the region.
