Report on Plantation Program

Details of the Event:

Date of the Event : 26-01-2023
Name of the Event : Plantation Program
Venue : Govt High School Mupparam Village
No. of Participants : 30

Objective:

The primary objective of Plantation Program was to promote environmental awareness and foster a culture of sustainability among the participants and local community. The initiative aimed at improving the green cover in and around Mupparam Village and instilling a sense of responsibility for environmental conservation, particularly among the youth.

Description:

On 26th January 2023, the NSS Unit-01 of SR University organized a Plantation Day event at the Government High School in Mupparam Village. Led by Mr. K. Ravindar, the NSS Coordinator, a group of 30 volunteers, including students and local residents, actively participated. The event involved planting saplings in the school premises and nearby areas, followed by an awareness session on the importance of trees, environmental protection, and the need to combat climate change.

Outcome:

- **Number of Trees Planted:** Several saplings were planted across the school premises, contributing to the local green cover.
- **Awareness Raised:** Participants gained practical knowledge on planting and the ecological benefits of trees.
- **Youth Engagement:** Young students were inspired to take proactive steps toward protecting their environment.

Impact on Society:

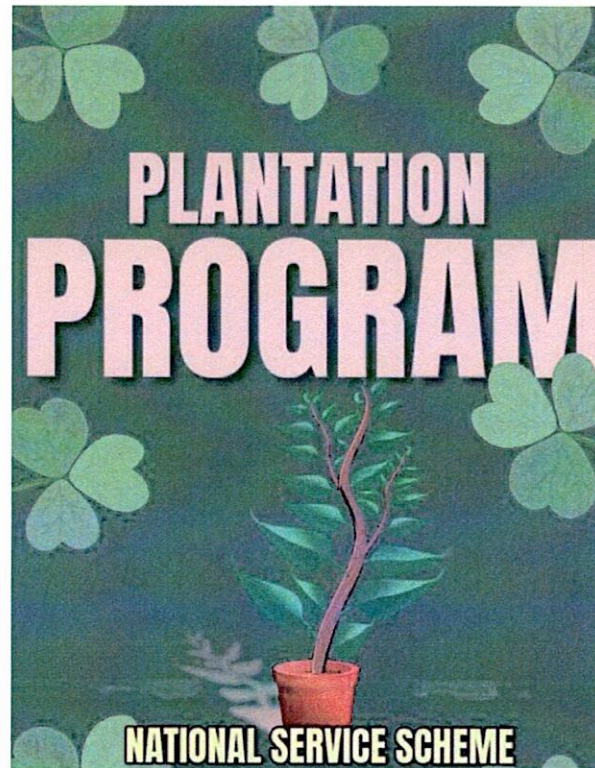

- **Local Community:** The residents of Mupparam Village directly benefitted from the increased green cover and improved environmental quality. The trees planted will contribute to cleaner air, enhanced biodiversity, and a better living environment.
- **School Students:** By hosting the event at the Government High School, the students were exposed to sustainability practices, fostering a sense of environmental stewardship among the younger generation.
- **Participants:** The participants, particularly NSS volunteers, enhanced their leadership skills and sense of responsibility towards societal development, which aligns with the core values of NSS activities.
