Report on Mobile Addiction Awareness Program

Details of the Event:

Date of the Event : 20-02-2023
Name of the Event : Mobile Addiction Awareness Program
Venue : ABHS Govt. High School, Fort Warangal
No. of Participants : 47

Objective:

The "Mobile Addiction Awareness Program" aimed to address the growing concern of mobile phone addiction, particularly among students and young adults. The objective was to educate participants about the negative effects of excessive mobile phone use, promote healthier technology habits, and encourage balanced lifestyles.

Description:

The event took place on February 20, 2023, at ABHS Govt. High School in Fort Warangal, with 47 participants in attendance. The program featured presentations on the psychological and physical impacts of mobile addiction, interactive workshops, and practical tips for managing screen time. Mr. K. Ravindar facilitated discussions on recognizing the signs of addiction, setting boundaries for mobile use, and engaging in alternative activities to foster a balanced lifestyle.

Outcome:

Participants gained a comprehensive understanding of mobile addiction and its effects on health and well-being. The program equipped them with practical strategies to manage and reduce their mobile usage. Attendees were encouraged to adopt healthier technology habits and were provided with resources to support their efforts in maintaining a balanced lifestyle.

Impact on Society:

The awareness program had a positive impact on the participants by raising awareness about mobile addiction and its consequences. It promoted healthier behavior patterns and encouraged participants to take control of their mobile usage. The program's benefits extend to the wider community as participants share their knowledge and advocate for balanced technology use, contributing to improved mental and physical health in their social circles.
