Details of the Event:

Date of the Event : 28-02-2023
Name of the Event : Campus Ambassador Training on Voting Awareness
Venue : District Collectorate, Hanamkonda
No. of Participants : 18

Objective:

The "Campus Ambassador Training on Voting Awareness" aimed to train selected campus ambassadors to promote voter education and engagement among their peers. The objective was to empower these ambassadors with the knowledge and tools necessary to advocate for informed voting and encourage active participation in the electoral process.

Description:

On February 28, 2023, the training session was held at the District Collectorate in Hanamkonda, with 18 participants. The program included comprehensive sessions on the importance of voting, the electoral process, and effective strategies for engaging peers in voting activities. Mr. K. Ravindar facilitated the training, providing insights into voter registration, educating participants on their rights and responsibilities, and equipping them with communication skills to effectively disseminate voting information on campus.

Outcome:

The training equipped campus ambassadors with a thorough understanding of voting procedures and the significance of voter participation. Participants gained practical skills in organizing awareness campaigns, addressing common voter concerns, and mobilizing their peers to participate in elections. The training also helped build a network of informed advocates ready to drive voter engagement on campus.

Impact on Society:

The training had a substantial impact on voter awareness within the campus community. By preparing 18 ambassadors to lead voting awareness initiatives, the event contributed to increased voter registration and informed participation among students. The ambassadors' efforts fostered a culture of civic responsibility and engagement, benefiting the broader community by enhancing democratic participation.
