## Agri-Horti Workshop

### Details of the Event:

**Date of the Event** : 02-03-2023  
**Name of the Event** : Agri-Horti Workshop  
**Venue** : NIT Warangal  
**No. of Participants** : 20

### Objective:

The "Agri-Horti Workshop" aimed to provide participants with practical knowledge and skills in agriculture and horticulture. The objective was to enhance understanding of modern farming techniques, sustainable practices, and effective management strategies to improve productivity and sustainability in agricultural and horticultural practices.

### Description:

On March 2, 2023, the Agri-Horti Workshop was conducted at NIT Warangal, with 20 participants in attendance. The workshop covered a range of topics including soil management, crop rotation, pest control, and innovative horticultural techniques. Sessions included practical demonstrations, hands-on activities, and expert talks led by Mr. K. Ravindar. Participants were introduced to cutting-edge technologies and methods to enhance both crop yield and quality.

### Outcome:

The workshop successfully equipped participants with valuable knowledge and practical skills related to agriculture and horticulture. Attendees gained insights into modern farming techniques and sustainable practices, which they can apply to their own agricultural endeavors. The hands-on nature of the workshop ensured that participants left with actionable skills and a deeper understanding of effective farming and gardening practices.

### Impact on Society:

The Agri-Horti Workshop had a significant impact on the participants by improving their technical skills and knowledge in agriculture and horticulture. This, in turn, benefits the broader community as participants implement these practices to enhance crop yields, ensure sustainable farming, and contribute to local food security. The workshop also fosters innovation in agriculture, encouraging more efficient and environmentally friendly practices.
