Awareness on Safe and Clean Drinking Water

Details of the Event:

Date of the Event : 23-06-2023
Name of the Event : Awareness on Safe and Clean Drinking Water
Venue : Gangadevipally Village, Geesugonda mandal, Warangal
No. of Participants : 22

Objective:

The "Awareness on Safe and Clean Drinking Water" event aimed to educate the residents of Gangadevipally Village about the importance of drinking clean and safe water. The objective was to raise awareness about waterborne diseases, promote proper water purification methods, and encourage practices that ensure access to clean water.

Description:

On June 23, 2023, the awareness program was held in Gangadevipally Village with 22 participants. The event included interactive sessions and demonstrations on water purification techniques, the dangers of contaminated water, and the health benefits of consuming clean water. Health experts provided practical advice on how to test water quality, use filtration methods, and maintain cleanliness to prevent waterborne diseases. Mr. K. Ravindar facilitated the event, ensuring that participants understood the critical importance of water safety and hygiene.

Outcome:

The awareness program had a significant impact by improving community knowledge about water safety and hygiene. Educating residents about the importance of clean water and proper purification methods contributes to reducing the incidence of waterborne diseases and promoting better overall health. The event empowered participants to adopt practices that ensure safe drinking water, enhancing the quality of life in Gangadevipally Village.

Impact on Society:

The "Provision of Safe and Clean Drinking Water" event organized by SRU NSS had a transformative impact on society. It significantly improved public health by providing access to safe drinking water, thereby reducing waterborne diseases and improving overall well-being. The initiative also raised awareness about water sanitation practices, empowering communities with essential knowledge for maintaining hygienic living conditions.
