## Environmental Awareness Program

### Details of the Event:

**Date of the Event** : 11-08-2022  
**Name of the Event** : Environmental Awareness Program  
**Venue** : Geesugonda Village, Warangal  
**No. of Participants** : 32

### Objective:

The Environmental Awareness Program aimed to educate participants about the importance of environmental conservation and the impact of human activities on natural resources. The goal was to foster a sense of responsibility towards protecting the environment and to provide practical knowledge on sustainable practices that individuals and communities can adopt.

### Description:

On August 11, 2022, SR University's National Service Scheme (NSS) Unit-1, under the guidance of Mr. K. Ravindar, organized the Environmental Awareness Program at Geesukonda Village. The event saw 32 participants come together for a series of educational activities. The program included:

Delivered by environmental experts, these sessions focused on key environmental issues such as pollution, deforestation, and waste management. Engaged participants in discussions about practical steps for reducing environmental impact, including recycling and conserving resources. A hands-on activity where participants cleaned up local areas to demonstrate the importance of maintaining a clean environment. The event aimed to increase environmental awareness and promote actionable steps towards sustainability.

### Outcome:

☐ **Immediate Results:** Participants gained a comprehensive understanding of environmental issues and practical knowledge on sustainability practices. The interactive format of the event ensured high engagement and active participation.

☐ **Long-Term Benefits:** The program equipped attendees with the tools and knowledge to implement sustainable practices in their daily lives, fostering a culture of environmental responsibility in the community.

### Impact on Society:

☐ **Community Environmental Stewardship:** The program encouraged residents to take proactive steps in protecting their environment, contributing to a cleaner and healthier local area.

☐ **Educational Advancement:** Participants received valuable information on environmental issues and sustainability, which can be shared within their families and communities, amplifying the impact of the program.

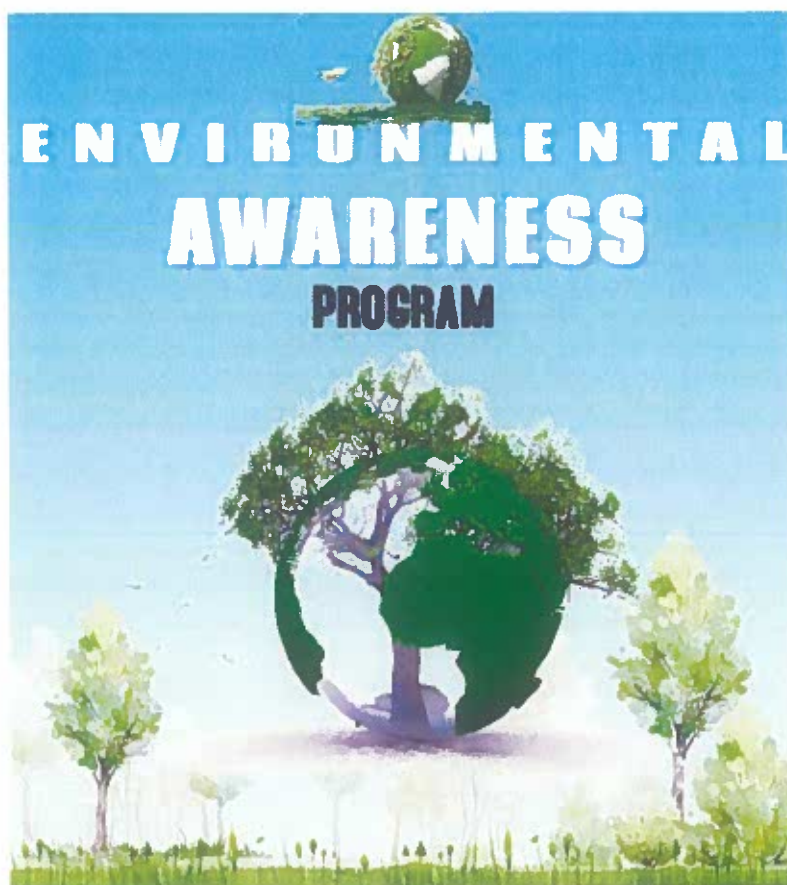

☐ **Sustainable Practices:** Promoted long-term adoption of eco-friendly habits, leading to improved environmental conservation and increased awareness about the importance of maintaining natural resources.
