### Awareness Against Use of Plastic event

#### Details of the Event:

**Date of the Event** : 05-09-2022  
**Name of the Event** : Awareness Against Use of Plastic event  
**Venue** : Fort Warangal Village, Warangal  
**No. of Participants** : 34

#### Objective:

The primary objective of the event was to raise awareness among the villagers of Fort Warangal about the harmful effects of plastic on the environment and human health. It aimed to promote eco-friendly alternatives and encourage the reduction, reuse, and recycling of plastic materials.

#### Description:

The event was organized by the NSS Unit-01 of SR University, led by the NSS Coordinator, Mr. K. Ravindar. Thirty-four enthusiastic volunteers participated in the campaign, which included a series of activities such as:

- **Public Awareness Sessions:** Volunteers educated the villagers through presentations and discussions on the negative impacts of plastic, particularly single-use plastics, on nature, water bodies, and living organisms.
- **Distribution of Eco-Friendly Bags:** Volunteers distributed cloth bags to the participants, encouraging the use of sustainable alternatives instead of plastic bags.
- **Clean-Up Drive:** The team conducted a clean-up drive in the village, collecting plastic waste to demonstrate the seriousness of the issue.
- **Pledge Ceremony:** Participants were encouraged to take a pledge to minimize plastic use in their daily lives and spread the message of environmental responsibility.

#### Outcome:

- The event successfully educated the villagers about the dangers of plastic pollution and the importance of adopting sustainable practices.
- The participants gained insights into the harmful long-term effects of plastic on health and ecosystems.
- Approximately 50 kg of plastic waste was collected and disposed of properly during the clean-up drive.

#### Impact on Society:

- **Increased Awareness:** The event led to greater awareness in the village about the importance of reducing plastic use. Many participants committed to switching to eco-friendly alternatives.
- **Behavioral Change:** The villagers, especially local shopkeepers and households, expressed their willingness to reduce plastic consumption and switch to cloth or jute bags.
- **Long-Term Impact:** The event instilled a sense of environmental responsibility in the community. It is expected that the awareness spread during the event will encourage villagers to adopt sustainable practices, contributing to the reduction of plastic waste in the region.
