Report on AIDS Awareness Program

Details of the Event:

Date of the Event	: 01-12-2023
Name of the Event	: AIDS Awareness Program
Venue	: Mupparam Village
No. of Participants	: 52

Objective:

The AIDS Awareness Program aimed to educate the local community about HIV/AIDS, focusing on its prevention, treatment, and reducing stigma surrounding the condition. The initiative sought to empower individuals with accurate knowledge to make informed health decisions and promote a supportive environment for those affected.

Description:

On 1st December 2023, NSS conducted an AIDS Awareness Program at Mupparam Village, coinciding with World AIDS Day. A total of 52 participants, including NSS volunteers and villagers, took part in the program. Health professionals delivered engaging sessions on HIV transmission, prevention methods, and available treatment options. Volunteers used posters and role-plays to dispel myths and misconceptions about HIV/AIDS. The program emphasized the importance of testing, early detection, and fostering a compassionate attitude toward individuals living with HIV.

Outcome:

The program successfully raised awareness about HIV/AIDS among the participants, dispelling myths and providing reliable information about prevention and treatment. NSS volunteers gained valuable experience in community engagement and health advocacy. The event encouraged individuals to adopt preventive measures and seek regular health check-ups.

Impact on Society:

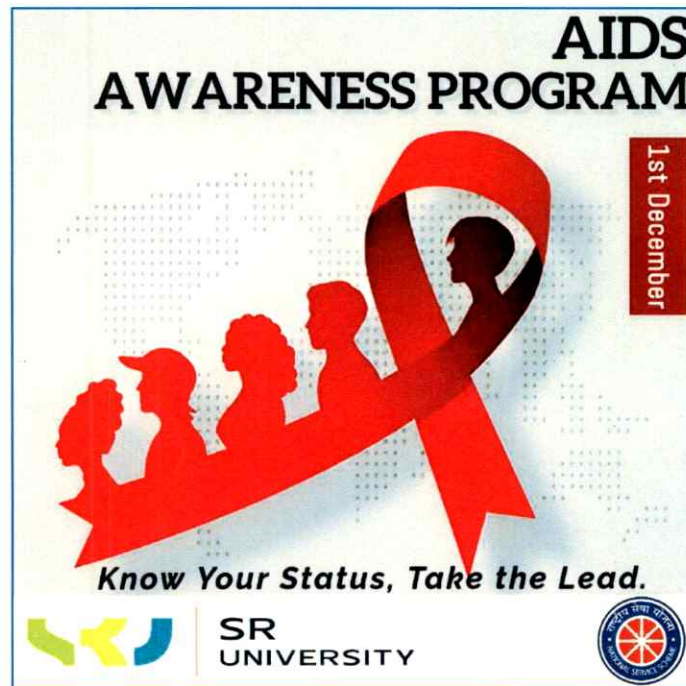

The AIDS Awareness Program created a significant impact by educating the Mupparam Village community about HIV/AIDS. It fostered a more informed and empathetic society, reducing stigma and promoting health-seeking behaviors. The initiative strengthened the role of NSS in addressing critical public health challenges and creating lasting social change.
