## **Report on Awareness on Seasonal Diseases Program**

### **Details of the Event:**

**Date of the Event** : 16-12-2023  
**Name of the Event** : Awareness on Seasonal Diseases  
**Venue** : Yellapur Village  
**No. of Participants** : 37

### **Objective:**

The Awareness on Seasonal Diseases program aimed to educate the community about common seasonal illnesses, their symptoms, and preventive measures. The initiative sought to promote health awareness and equip residents with knowledge to safeguard themselves during changing seasons.

### **Description:**

On 16<sup>th</sup> December 2023, NSS organized an Awareness on Seasonal Diseases program at Yellapur Village. A total of 37 participants, including NSS volunteers and local residents, attended the program. Health professionals conducted interactive sessions focusing on diseases like dengue, malaria, and viral fevers, explaining their causes, symptoms, and prevention strategies. Volunteers distributed informational leaflets and demonstrated practical measures, such as maintaining hygiene, using mosquito repellents, and staying hydrated. The program also highlighted the importance of early diagnosis and seeking medical help promptly.

### **Outcome:**

The program successfully enhanced participants' understanding of seasonal diseases and preventive measures. It encouraged proactive health practices among residents and empowered them to recognize symptoms and seek timely medical intervention. Volunteers gained valuable experience in health advocacy and community engagement.

### **Impact on Society:**

The program created a positive societal impact by promoting health literacy and reducing the risk of seasonal diseases in Yellapur Village. It fostered a healthier and more informed community while emphasizing the role of collective responsibility in combating seasonal illnesses.
