Report on Cancer Awareness Program

Details of the Event:

Date of the Event	: 04-02-2024
Name of the Event	: Cancer Awareness Program
Venue	: Keshavapur Village
No. of Participants	: 29

Objective:

The Cancer Awareness Program aimed to educate the local community, particularly youth, about the prevention, detection, and treatment of cancer. The program focused on early warning signs, lifestyle factors that influence cancer risk, and the importance of regular health check-ups.

Description:

On 4th February 2024, the NSS organized a Cancer Awareness Program at Keshavapur Village, with 29 participants. The event featured expert talks on various types of cancer, prevention strategies, and the importance of self-examination and early diagnosis. Health professionals provided valuable insights into the role of diet, exercise, and avoiding harmful habits in preventing cancer. Interactive sessions allowed participants to ask questions and gain clarity on cancer-related topics.

Outcome:

The program successfully educated participants about cancer prevention and the significance of early detection. The informative sessions raised awareness about healthy lifestyle choices and encouraged individuals to prioritize their health. The event also promoted the importance of regular screenings and medical check-ups in reducing cancer risks.

Impact on Society:

The Cancer Awareness Program had a significant impact on the participants, empowering them with the knowledge to make healthier lifestyle choices and identify potential health concerns early on. It encouraged the community to adopt proactive measures to prevent cancer and fostered a supportive environment for individuals facing cancer-related challenges.
