Report on Haritha Haram Program

Details of the Event:

Date of the Event	: 01-02-2024
Name of the Event	: Haritha Haram Program
Venue	: Govt. High School, Mupparam
No. of Participants	: 42

Objective:

The Haritha Haram Program aimed to enhance environmental sustainability by increasing the green cover in Mupparam village. It also sought to raise awareness about the importance of afforestation and the role trees play in improving air quality, preserving biodiversity, and combating climate change.

Description:

On 1st February 2024, the NSS organized the Haritha Haram Program at Govt. High School, Mupparam, with 42 participants, including NSS volunteers and local residents. The event involved planting saplings within the school premises and surrounding areas. After the planting session, participants took part in an educational session that covered topics such as tree plantation, environmental conservation, and the benefits of maintaining green spaces.

Outcome:

The event successfully contributed to increasing the green cover at Govt. High School, Mupparam. Volunteers and local residents worked together to plant a variety of saplings that will enhance the local ecosystem. The program also led to increased awareness about environmental protection and the importance of collective action for a sustainable future.

Impact on Society:

The Haritha Haram Program positively impacted the Mupparam village by improving the green cover and encouraging the community to adopt sustainable practices. The trees planted will provide cleaner air, enhance biodiversity, and promote a healthier environment. The program also inspired students and villagers to take active roles in preserving their surroundings.
