## **Report on Plantation Program**

### **Details of the Event:**

<b>Date of the Event</b>	:	11-12-2023
<b>Name of the Event</b>	:	Plantation Program
<b>Venue</b>	:	SR University, Ananthasagar
<b>No. of Participants</b>	:	33

### **Objective:**

The Plantation Program aimed to promote environmental awareness and enhance the green cover in and around Ananthasagar. The initiative sought to involve the community and students in tree plantation, fostering a sense of responsibility for environmental conservation.

### **Description:**

On 11<sup>th</sup> December 2023, NSS conducted a Plantation Program at SR University, Ananthasagar. A total of 33 participants, including NSS volunteers and students, actively engaged in the event. Participants planted saplings across the school premises and nearby areas, focusing on native tree species. The event also included a brief session on the importance of trees in mitigating climate change, improving air quality, and conserving biodiversity.

### **Outcome:**

The program successfully planted several saplings, contributing to the local environment. Participants gained practical knowledge about tree planting and the ecological benefits of afforestation. The event also encouraged students to take ownership of the planted saplings, ensuring their growth and care.

### **Impact on Society:**

The Plantation Program created a positive impact by improving the green cover and raising environmental awareness in Ananthasagar. It inspired participants to adopt eco-friendly practices and underscored the importance of community-driven efforts in environmental conservation. NSS reaffirmed its role in fostering sustainable development through collective action.
