Report on Skill Development Training Awareness Program

Details of the Event:

Date of the Event	: 04-03-2024
Name of the Event	: Skill Development Training Awareness Program
Venue	: Govt. High School, Muppam Village
No. of Participants	: 25

Objective:

The objective of this program was to create awareness about skill development opportunities and the importance of acquiring practical skills for personal and professional growth. The event aimed to empower participants by providing them with information about available training programs and the role of skill development in enhancing employability and self-sufficiency.

Description:

On 4th March 2024, NSS organized the "Skill Development Training Awareness Program" at Govt. High School, Muppam Village. The event was attended by 25 participants, including students and local community members. The session covered various aspects of skill development, including vocational training, digital literacy, and entrepreneurship. Resource persons from different sectors were invited to share insights on how to acquire skills that align with current job market demands.

Outcome:

The event was successful in generating awareness about the importance of skill development. Participants gained valuable knowledge on various training opportunities available and how they can use these skills to enhance their career prospects. Many students expressed interest in pursuing specific skill development programs and vocational training courses.

Impact on Society:

The program helped raise awareness about the importance of skill development, especially among youth and community members. It inspired participants to consider skill acquisition as an essential part of their education and career path. The initiative is expected to contribute to improved self-reliance and better employment opportunities within the community.
