Objective:

Volunteered during the Mobile Addiction Awareness Program, educating individuals—especially students about the harmful effects of excessive mobile phone usage and encouraging healthy, balanced digital habits.

Description:

On 12th April 2025, the NSS Unit of SR University organized a Mobile Addiction Awareness Program on the university campus from 11:00 AM to 01:00 PM. The event saw active participation from 68 NSS volunteers under the guidance of Dr. K. Ravindar, NSS Program Coordinator.

Volunteers conducted interactive sessions, awareness talks, poster presentations, and distributed informative pamphlets to highlight the psychological, physical, and academic impacts of mobile overuse. The event encouraged participants to reflect on their screen time and adopt healthier tech habits.

Outcome

The program successfully engaged a large number of students and faculty, raising awareness on mobile addiction and its consequences. It helped participants understand the importance of digital discipline and motivated them to take steps toward reducing screen dependency.

Impact on Society:

This initiative promoted mindful technology use and digital well-being among youth. It fostered awareness on mobile addiction as a growing concern and empowered individuals to develop healthier routines, ultimately contributing to improved mental and social health in the academic community.
