“Every Voice Matters: Support the Fight Against Pancreatic Cancer”

Details of the Event:

Date of the Event	: 20-11-2025
Name of the Event	: “Every Voice Matters: Support the Fight Against Pancreatic Cancer”
Place	: SR University Campus
Time	: 01:00 pm – 03:00 pm
No. of Participants	: 37

Objective:

1. To raise awareness about Pancreatic Cancer, its symptoms, risk factors, and prevention.
2. To educate students on the importance of early screening and diagnosis.
3. To encourage a healthy lifestyle, including balanced diet, exercise, and avoidance of smoking and alcohol.
4. To develop a sense of social responsibility among students to speak about cancer awareness.
5. To support the global movement and emphasize that every voice, effort, and message contributes to saving lives.

Description:

The Sub-SRU-NSS-UNIT in collaboration with Medcover Hospital organized an informative and awareness-based session on Pancreatic Cancer. Doctors and cancer specialists from Medcover Hospital delivered an impactful presentation highlighting the symptoms, stages, causes, and available treatment options for pancreatic cancer.

Visual presentations, awareness talks, and real-life case studies were shared to help students understand the seriousness of the disease. The speakers emphasized the importance of early detection, regular health checkups, and adopting healthy lifestyle habits to reduce cancer risks.

NSS volunteers actively participated in interactive sessions, Q&A discussions, and awareness pledge activities, making the program more engaging and meaningful.

Outcome:

1. Students gained scientific and practical knowledge about pancreatic cancer.
2. Increased awareness on healthcare practices, screenings, and preventive measures.
3. NSS volunteers developed skills in health education, communication, and community engagement.
4. Participants took a strong pledge to spread awareness and support individuals fighting cancer.

Impact on Society:

This initiative helped break the silence around pancreatic cancer, a disease often detected late due to lack of awareness. By creating informed and proactive young citizens, the program promotes a healthier community. The awareness drive encourages early diagnosis, reduces stigma, and strengthens emotional and social support for cancer patients and families.

Through this program, SR University NSS Unit contributed to building a more compassionate, health-conscious, and responsible society.
