“Sustainable Agriculture Awareness & Farmers Empowerment Program”

Details of the Event:

Date of the Event	:	23-12-2025
Name of the Event	:	“Sustainable Agriculture Awareness & Farmers Empowerment Program”
Place	:	Baopet Village, Hanamkonda
Time	:	11:00 am – 03:00 pm
No. of Participants	:	65

Objective:

1. To create awareness among farmers about sustainable and eco-friendly agricultural practices.
2. To educate farmers on soil health, water conservation, crop diversification, and organic methods.
3. To empower farming communities through practical training, demonstrations, and live exhibitions.
4. To promote the adoption of modern farming tools, smart agriculture techniques, and kitchen gardening for income and nutrition.
5. To encourage rural youth and farmers to work together for sustainable rural development and chemical-free food production.

Description:

The Sustainable Agriculture Awareness & Farmers Empowerment Program was organized by the SRU–NSS Unit at Baopet Village on 23 December 2025. The event included an agricultural exhibition, technical demonstrations, awareness rally, farmer interaction sessions, and a seed distribution program. NSS volunteers, agriculture students, and village farmers actively participated.

The Chief Guest, Sri B. Ravindar, Sarpanch, appreciated the efforts of the NSS Unit and encouraged farmers to apply sustainable farming methods for long-term agricultural growth. Practical learning tools, live models, charts, organic compost demonstrations, and water-saving methods helped farmers understand concepts easily.

Outcome:

1. Farmers gained better knowledge of organic farming, soil management, and irrigation techniques.
2. Participants learned how to reduce chemical usage and produce healthier, chemical-free crops.
3. Awareness created on climate change, crop diversification, and eco-friendly practices.
4. Strengthened the bond between NSS volunteers and the farming community through active interaction.
5. Farmers received seeds, guidance, and exposure to modern agricultural innovations.

Impact on Society:

1. Helps build a self-reliant rural community with sustainable agricultural systems.
2. Encourages healthy food production, benefitting both farmers and consumers.
3. Reduces dependency on chemical fertilizers and pesticides, leading to a cleaner environment.
4. Inspires farmers to adopt long-term income-generating methods and improve livelihood.
5. Motivates youth to participate in agriculture and community development.
6. Supports the national vision of Green India, Clean Food, and Smart Farming Villages.
