Description:

On the auspicious occasion of Maha Shivaratri, the NSS Unit of SR University organized a Temple Voluntary Service Program at Shambhulingeshwara Swamy Temple, Warangal Fort on 15 February 2026. NSS volunteers actively participated in voluntary service to assist devotees and temple authorities during the heavy rush of pilgrims.

The volunteers performed various activities such as maintaining cleanliness in the temple surroundings, guiding devotees, regulating queues, distributing drinking water, and supporting the temple management in organizing the event smoothly. Their dedicated service helped ensure discipline, safety, and convenience for the devotees visiting the temple on the sacred day.

The program provided an opportunity for students to experience the joy of serving society with devotion and commitment. The temple authorities appreciated the sincere efforts of the NSS volunteers for their responsible and well-organized service.

Outcomes:

- Volunteers developed a strong sense of service-minded attitude.
- Improved leadership, teamwork, and communication skills among NSS volunteers.
- Successful maintenance of cleanliness and discipline at the temple premises.
- Devotees received proper guidance and support during the festival.
- Strengthened the bond between educational institution and community.
- Volunteers gained practical experience in social service activities.
- Encouraged students to actively participate in future community service programs.

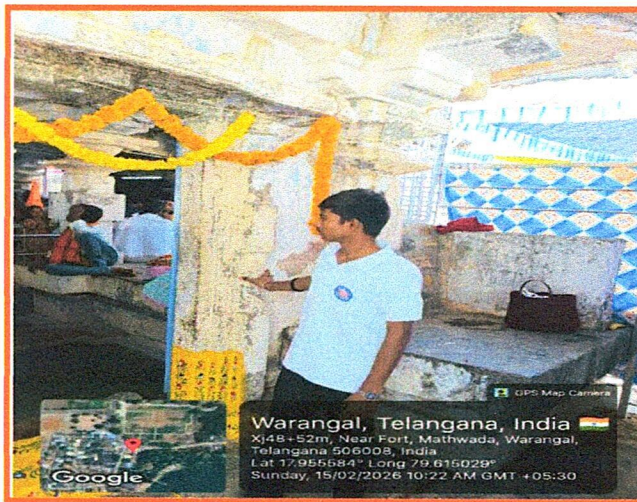

Impact on Society:

- Helped maintain a clean and organized environment at the temple during a major festival.
- Provided support and convenience to thousands of devotees.
- Promoted awareness about the importance of voluntary service and social responsibility.
- Inspired the public and youth to participate in community welfare activities.
- Strengthened the values of unity, cooperation, and humanity.
- Created a positive image of NSS volunteers as responsible citizens.
- Contributed to the smooth and peaceful celebration of the Maha Shivaratri festival
