Objectives:

- To create awareness about the importance of digital literacy in everyday life.
- To educate the public on safe and responsible use of the internet and social media.
- To promote awareness about cyber security and prevention of online fraud.
- To encourage the use of digital payment systems and online banking services.
- To inform people about government digital services and mobile applications.
- To motivate citizens to use smartphones and digital devices effectively.
- To bridge the digital gap and promote digital inclusion in society.

Description:

The NSS Unit of SR University organized a Digital Literacy Awareness Programme on 14 March 2026 at Warangal Fort to educate the public about the benefits and safe usage of digital technology. NSS volunteers actively participated in the programme and interacted with the public to spread awareness about the importance of digital knowledge in modern life.

During the programme, volunteers explained how digital platforms can be used for education, communication, financial transactions, and accessing government services. Special emphasis was given on cyber security, privacy protection, and prevention of online fraud. The volunteers also guided people on safe internet browsing, responsible social media use, and the importance of protecting personal information

Pamphlets and awareness messages were shared to help people understand how digital technology can improve their daily lives. The programme helped create awareness about digital inclusion and encouraged people to adopt technology confidently and safely.

Outcomes:

- Increased awareness among the public about digital literacy and its importance.
- People gained knowledge about safe internet usage and cyber security practices.
- Improved understanding of digital payments and online banking services.
- Awareness about government online services and mobile applications increased.
- Participants showed interest in using digital technology for education and communication.
- NSS volunteers enhanced their communication and community engagement skills.

Impact on Society:

- Promotes safe and responsible use of digital technology in society.
- Helps reduce the risk of cyber fraud and online scams through awareness.
- Encourages digital inclusion among rural and urban communities.
- Supports the Digital India initiative by promoting digital services.
- Improves access to online education, banking, and government services.
- Strengthens the role of youth in creating a digitally aware society.
- Encourages responsible digital behavior and protection of personal data.
