## Science Quiz & Speech Competition Programme

### Details of the Event:

<b>Date of the Event</b>	: 26-03-2026
<b>Name of the Event</b>	: Science Quiz & Speech Competition Programme
<b>Place</b>	: ZPHS High School, Unikicherla, Dharmasagar Mandal, Hanamkonda
<b>Time</b>	: 10:00 am – 01:00 pm
<b>No. of Participants</b>	: 42

### **Objectives:**

- To promote scientific thinking and curiosity among school students.
- To improve communication and public speaking skills through speech competition.
- To encourage active learning through quiz competitions and interactive activities.
- To develop awareness about geography and local resources through village and land map drawing.
- To motivate rural students towards education and knowledge development.
- To create interest in science-based learning and observation in daily life.
- To strengthen the social responsibility of NSS volunteers towards community education.

### **Description:**

The NSS Unit of SR University organized a Science Quiz & Speech Competition Programme on 26-03-2026 at ZPHS High School, Unikicherla, Dharmasagar Mandal, Hanamkonda. The programme was conducted to enhance scientific knowledge and communication skills among school students.

NSS volunteers actively engaged students in quiz competitions and speech activities related to science topics. Students participated enthusiastically and showcased their knowledge, confidence, and creativity. As part of the educational activities, students prepared Village Map Drawing and Land Map Drawing, which helped them understand geographical features, local resources, and the importance of observation in science.

The programme was conducted under the guidance of Dr. K. Ravindar, Associate Physical Director & NSS Coordinator, who encouraged students to develop scientific attitude, awareness, and confidence in expressing ideas. The event created a positive learning environment and inspired students towards education and innovation.

### **Outcomes:**

- Students gained basic scientific knowledge and improved their understanding of concepts.
- Improved public speaking confidence among participants.
- Students developed interest in science and education.
- Enhanced creative skills through map drawing activities.
- Increased awareness about geographical and environmental aspects of their village.
- Strengthened interaction between NSS volunteers and rural students.
- Encouraged students to participate in academic competitions in future.

### **Impact on Society:**

- Promotes scientific awareness among rural students, leading to better educational growth.
- Helps in developing knowledge-based society through education and awareness programmes.
- Encourages young students to adopt scientific thinking and problem-solving skills.
- Improves confidence and communication ability of students in rural areas.
- Supports community development by motivating students towards education.
- Strengthens the role of NSS in social service and educational support.
- Contributes to building a responsible and knowledgeable future generation

## SR University – NSS Unit Organizes Science Quiz & Speech Competition Programme

**(Capital information) Warangal , Mulugu,** March 26 : The NSS Unit of SR University successfully organized a Science Quiz and Speech Competition Programme on 26-03-2026 at ZPHS High School, Unikicherla, Dharmasagar Mandal, Hanamkonda. The programme aimed to encourage scientific thinking, communication skills, and awareness among school students. During the programme, SR University NSS Volunteers actively conducted various academic and educational activities. The school students participated with great enthusiasm and interest, making the programme a grand success. As part of the educational activities, students also prepared :

- 1 Village Map Drawing
- 2 Land Map Drawing

These activities helped students understand geographical concepts, local resources, and the importance of scientific observation in daily life. The programme was organized under the guidance of Dr. K. Ravindar, Associate Physical Director & NSS Coordinator, who motivated the students to develop scientific knowledge, communication skills, and social awareness. He appreciated the active participation of NSS volunteers and school students for making the programme successful. The NSS Unit of SR University continues to conduct such programmes to promote education, awareness, and community development among rural students.
